FUTURE FIT FOR 2030

Find out how to make your business sustainable for the future.

We are inviting small businesses to an engaging and interactive talk from **361 Community Energy** and funded by the **European Social Fund (ESF)** on the challenges your business will face in the next decade to become more sustainable and what support is available to achieve this.

Wednesday 9 March 2022 | 3pm - 5pm

Centre of Technology & Innovation Excellence (Coite), Petroc, North Devon Campus
