Make UK membership and
regional representation groups

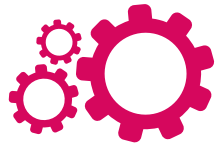

**Membership
guide 2022**

**Uniting Northern Devon's manufacturing community
to provide insights, opportunities and support**

What does NDMA membership include?

Whether you're a micro, SME or large corporation, membership of NDMA provides a hub for collaboration and networking, communication and engagement.

NETWORK

Meet and share experiences with manufacturing, engineering and support businesses **throughout the Northern Devon region and beyond...**

- Exchange knowledge and best practice at NDMA events
- Share company news & achievements via the website, weekly newsletter and social media
- Collaborate with a rich network of local industry partners
- Participate in industry surveys and consultations
- Reach out to members for support with specific challenges
- Your company listed in the online NDMA business directory
- Access wider regional manufacturing networks, services and funding opportunities through associations, partner agencies and signposting

Share, collaborate and discover solutions to industry challenges together. Grow your network and develop lasting relationships

champion best-practice and learn from others

EVENTS

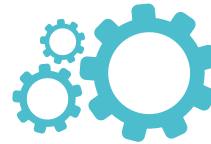

Access a programme of events delivered by **member manufacturers and supporting organisations...**

- Funded NDMA breakfast events featuring topical discussions and industry themes
- Best-practice visits and showcase opportunities hosted by members as well as manufacturers across the South West
- Access to reciprocal events and visits from other regional groups
- Opportunities to attend other 3rd party regional events and webinars
- Joint events with local chambers of commerce and councils
- Innovation workshops and industry sessions hosted by the universities of Exeter and Plymouth

NDMA ANNUAL AWARDS

The popular event celebrating North Devon's world-class manufacturing achievements each year.

Categories include: Innovation of the Year • Apprentice of the Year • Schools Awards • Product of the Year • Manufacturer of the Year & more...

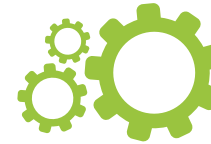

EDUCATION

Connect to a network of affiliate educational establishments to inspire the **next generation of manufacturers...**

- Supporting apprenticeships throughout further and higher education
- STEM engagement resources (become an ambassador and attend events & primary schools STEM challenge)
- Schools, colleges and universities network, including year 9 pupils as they make their important choices
- Presence at careers events
- Work experience/internships - KTP associates & CSR
- EDT/Yin/Young Enterprise/feed-in activities (Matchmaking)
- Schools & colleges awards
- Understand and influence the new T-Levels syllabus
- Local careers stories and signposting for young people

NDMA has been able to support the South West Institute of Technology (SWIoT) at Petroc College with TDK Lamda as an anchor employer.

SUSTAINABILITY

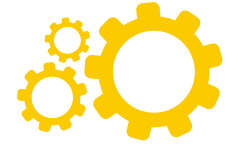

With climate change and environmental responsibility high on the community and consumer agenda, manufacturers need to be informed and actively engaged...

Access advice, tools and join initiatives to develop legal compliance and competitive advantage and connect with:

- North Devon Green Economy Group
- North Devon UNESCO Biosphere Reserve
- Waste partnerships
- Energy & buying groups for cleaner and more efficient business
- Combined business CSR events (organised beach cleans, conservation and innovation workshops)

Stay up to date with opportunities to support your own sustainability credentials, meet ISO14001 targets or meet regulatory demands

get your voice heard on local and regional issues!

AFFILIATIONS

As a member of NDMA, you are entitled to a range of wider benefits including:

Affiliate Make UK (formerly EEF) membership - saving up to £3.5k!

- ✓ Access to first class information and insight
- ✓ Eligibility to take part in Make UK policy surveys
- ✓ Access to exclusive discount via our Advantages programme
- ✓ Access to Make UK's Funding Finder
